

WING-O
-MORE THAN WINGS-

JOURNEY

REGINA → WINNIPEG

NEXT STOP: WINNIPEG

From one small kitchen on Albert Street to three Regina-area locations—and now 1530 Dakota St. Same 135+ sauces, same late nights, same promise. Winnipeg, welcome to the family.

Opening day wasn't just a launch—it was sharing my story through flavor, and when the community embraced Wing-O, it became more than wings; it became family.

Some nights, the silence was louder than the world—I broke, questioned everything, but that pain became the fire that shaped who I was meant to become.

School felt like a maze—English was familiar, yet I stumbled through slang, silence, and systems, slowly learning to adapt and make this world my own.

I came to this city with nothing but a dream—and today, Wing-O gives back over 1,000 wings weekly, honoring the promise to the community that gave us everything.

I felt something missing in this city—a taste of home—so I poured my heart into late nights, crafting sauces and stories, and that's how Wing-O was born.

Jobs weren't just about money—they were about survival, and scrubbing floors taught me I wasn't just earning a living, I was building myself.

In 2019, with $800, two bags, and a dream, I arrived in a new city—no family, no friends, just a vision that became this restaurant.
