WING-O

MORE THAN WINGS

The Wing-O Way

OUR CULTURE · OUR CREW · OUR PROMISE

Wing-O began with a dream, late nights, and the determination to build something real. Behind every flavour is our Sauce Boss, crafting each sauce from scratch. Through every challenge, one thing never changed: the passion to serve something genuine. This is how we keep it that way, in Regina and now in Winnipeg.

Sauce Boss

Our Values

Six things we live by. Read them, know them, and live them every shift.

1. More Than Wings

We don't just sell food. We give people a place to hang out, celebrate, and feel at home. Every order is a chance to make someone's day.

2. Be Saucy

Be bold, be fun, be yourself. Bring energy to the counter, hype the flavour of the week, and make guests smile. Saucy, never rude.

3. Sauce Boss Standards

Hot, crispy, fully sauced, right flavour, every single time. If it's not something you'd be proud to eat, it doesn't go out.

4. Prairie Roots

We were born in Saskatchewan and we treat people like neighbours. Say hi, remember regulars, help each other out. Support your local wing spot.

5. Own It

See a mess? Clean it. Made a mistake? Fix it and tell someone. Have an idea? Share it. This is our store, all of us.

6. One Crew

Nobody works alone. Kitchen and front help each other. We show up on time, cover for each other, and leave the store better than we found it.

Guest Service: The 5 Wing-O Moments

Every guest visit has 5 moments. Nail all 5 and they'll be back.

1. THE HELLO (WITHIN 10 SECONDS)

Eye contact, a smile, "Hey, welcome to Wing-O!" Even if you're busy: "I'll be right with you!"

2. THE GUIDE

New guest? Walk them through it: wings, sauce, dip. Ask what they like and recommend a sauce. Mention the deal of the day and the flavour of the week.

3. THE CHECK

Repeat the order back: item, flavour, quantity, dip, allergies. Ask about Saucy Stamps.

4. THE HAND-OFF

Call their name, check the bag with them, say the flavour out loud. "Enjoy, that Honey Dill is a fan favourite!"

5. THE GOODBYE

"Thanks for coming in, see you next time!" Regulars get remembered: their name, their usual.

WORDS WE USE

Say: "Absolutely!" · "Great choice!" · "Let me fix that for you." · "My pleasure."

Never say: "That's not my job." · "We can't do that." (say what we *can* do) · "Calm down."

Our Crew Promise

What we expect from every team member, and what you can expect from us.

YOU SHOW UP

- [ ] On time, in full uniform, ready to work.
- [ ] Phone away while on the floor and in the kitchen.
- [ ] Can't make a shift? Tell the manager as early as possible and help find cover.
- [ ] Follow the SOPs: food safety, cleaning, allergens. Every time.
- [ ] Respect everyone: guests, teammates, managers. Zero tolerance for bullying, harassment or discrimination.
- [ ] Clean as you go. Leave your station ready for the next person.

WE SHOW UP FOR YOU

- [ ] Full training on every station before you work it alone.
- [ ] A free staff meal on every shift (as per store policy).
- [ ] Clear schedules, posted early.
- [ ] Real feedback, and recognition when you crush it.
- [ ] Room to grow: cook → shift lead → supervisor → manager.
- [ ] A safe workplace. Speak up about anything unsafe and you will never get in trouble for it.

THE GOLDEN RULE

Treat every guest like it's their first visit and every teammate like family.

Saucy Standards: Uniform & Station

How we look and how our stations look tells guests how much we care.

UNIFORM

- [ ] Wing-O hat, or hair tied back and in a hairnet in the kitchen.

RECOGNIZE THE CREW

Every week the manager picks a **Sauce Boss of the Week**: someone who lived our values, helped a teammate or made a guest's day. Shout them out at the huddle.
