

WING-O
MORE THAN WINGS

JOURNEY

REGINA → WINNIPEG

NEXT STOP: WINNIPEG

From one small kitchen on Albert Street to three locations around Regina, and now 1530 Dakota St. Same 135+ sauces, same late nights, same promise. Winnipeg, welcome to the family.

Now the Sauce Boss runs the WingO Movement. Every Thursday, for every wing you enjoy, we donate one to the community. More than wings, more than one.

Opening day wasn't just a launch. It was sharing my story through flavor, and when the community embraced WingO, it became more than wings; it became family.

Some nights, the silence was louder than the world. I broke and questioned everything, but that pain became the fire that shaped who I was meant to become.

School felt like a maze. English was familiar, yet I stumbled through slang, silence, and systems, slowly learning to adapt and make this world my own.

WINGO MOVEMENT

I came to this city with nothing but a dream, and today WingO gives back over 1,000 wings weekly, honoring the promise to the community that gave us everything.

I felt something missing in this city, a taste of home, so I poured my heart into late nights, crafting sauces and stories, and that's how WingO was born.

Jobs weren't just about money. They were about survival, and scrubbing floors taught me I wasn't just earning a living, I was building myself.

In 2019, with $800, two bags, and a dream, I arrived in a new city. No family, no friends, just a vision that became this restaurant.
